

PRODUCT SPOTLIGHT: EASY CONNECT® Piping Arrangement For Series 3000 Cooling Towers

EASY CONNECT® Piping Arrangement reduces installation time, material, and design costs while providing a number of additional benefits:

- ✓ Single point inlet reduces field piping
- ✓ Eliminates costly flow balancing valves
- ✓ Internal piping is corrosion resistant PVC
- ✓ Bottom inlet EASY CONNECT® piping keeps water supply and return piping beneath the unit making it ideal for multi-cell installations
- ✓ No integral strainer reducing routine maintenance
- ✓ Water can be drained for winter operation
- ✓ Easy to install crossover piping
- ✓ Allows for free draining
